SleepSimple

Bloc Skylight blinds have been created to fit and complement the world's most popular skylight brands. We make blinds to fit VELUX, Roto, Fakro, Rooflite, Dakstra and many more manufacturers. It makes choosing the right style to fit your specific skylight so simple. No modifications or compromises required. The blind you order is made specifically to fit your window, here in the UK. With over 100 colours and fabric choices, matching the blind to your taste is simple too.
