Oak & Metal Designs

Solutions for Every Window

28mm & 35mm Oak & Metal Poles

Solid Oak Poles & Finials for your windows

Beautiful NEW Oak Designs

Neo Oak introduces a collection of solid Oak poles and finials in the popular 28mm and 35mm diameters, designed to be both durable and naturally beautiful.

The Neo Oak poles combine perfectly with finials from the other Neo ranges* and the Neo Oak finials work beautifully with the Neo metal poles, to create the perfect selection of designs to suit your interior space.

*All the Neo Family of finials except the Neo Premium Teardrop can be used with Neo Oak poles.

FINIALS

Stunning designs to fit
every interior

EXTENDABLE CUP BRACKET

Available exclusively for 28mm poles

Quality and Precision Engineering

The success of this best selling pole range can be attributed to “Engineering Excellence” without compromising “Design”. Attention to detail has produced a fitter friendly range which is a stunning addition to any room. The heavy gauge steel poles & solid oak poles work perfectly in conjunction with the solid diecast precision engineered brackets.

58mm

QUALITY NYLON LINED RINGS

Rings are nylon lined to run smoothly and quietly across the pole. Available in 28mm and 35mm sizes

Nylon Lined

OAK POLE QUALITY

Solid and durable natural Oak

METAL POLE QUALITY

Heavy gauge steel poles suitable for all applications

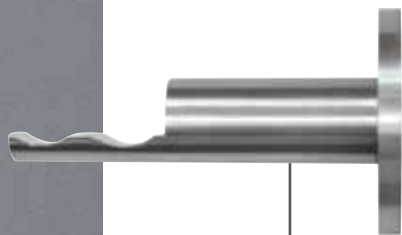

QUALITY BRACKETS

The brackets shown are solid diecast precision engineered. The extendable cup bracket (available in 28mm only) enables the pole to be fixed to uneven points on your wall

118mm

PASSOVER BRACKET

Used with passover rings to allow for a smooth operation of the Bay Pole system

Versatility

The versatile bracket range creates a fitter friendly solid installation for all applications. The 28mm and 35mm poles are suitable for both light and heavyweight curtains.

CEILING BRACKET

For use when space under the window is limited or the wall is weak

RECESS BRACKET

Enables pole to be fixed between walls, or to a side wall at one end

COLLAR

Solid diecast collar and cup with grub screw

Oak Stud

Designed with minimalism in mind, the Oak Stud creates a simple, sleek and understated look. With four collar finishes to choose from you can coordinate into your scheme effortlessly.

28mm Complete Pole (shown actual size)

35mm Eyelet Pole (shown actual size)

Naturally beautiful designs

Oak poles are available in 28mm & 35mm diameters and lengths up to 360cm. All designs are available as complete poles and as eyelet (no rings).

STAINLESS STEEL EFFECT COLLAR

Oak Stud combined with Oak complete pole & cylinder bracket

STAINLESS STEEL EFFECT COLLAR

Oak Stud combined with metal complete pole & cylinder bracket

CHROME EFFECT COLLAR

Oak Stud combined with metal complete pole & cylinder bracket

SPUN BRASS EFFECT COLLAR

Oak Stud combined with metal complete pole & cylinder bracket

BLACK NICKEL EFFECT COLLAR

Oak Stud combined with metal complete pole & cylinder bracket

Oak Ball

The Oak Ball creates a presence, whilst delivering a classic and elegant look. With four collar finishes to choose from you can coordinate into your scheme effortlessly.

A Versatile Pole System for any application

Neo is incredibly versatile and can be Face fixed, Top fixed or Recess fixed. It also offers an Eyelet Pole option on all designs and a Bay Pole system. Available in both 28mm and 35mm sizes.

CORNER ELBOW JOINT

To allow the pole to bend around various corner angles

PASSOVER BRACKET

Used with passing rings to allow for a smooth operation of the Bay Pole system

LINED C RING

Allows the curtains to pass over the brackets

Works with two bend bays with up to 60° bends

Neo Bay Poles System – metal pole only

Corner elbow joints, passover brackets and passover rings can be used to fit Neo metal poles to bay windows. Suitable for two bend bays, fixing to a wall. Bay system not compatible with Oak poles.

Eyelet Poles

To complete the Neo Oak range, all styles are also available as eyelet poles (no rings) in both 28mm & 35mm diameters, in all four finishes and your choice of bracket.

The Neo Family

NEO OAK

Neo Oak brings a new level of beauty and flexibility to the Neo family. Choose to have Neo Oak finials with the oak pole, oak finials with a metal pole, or the oak pole with metal finials (except Neo Premium Teardrop). Available in 28mm and 35mm diameters.

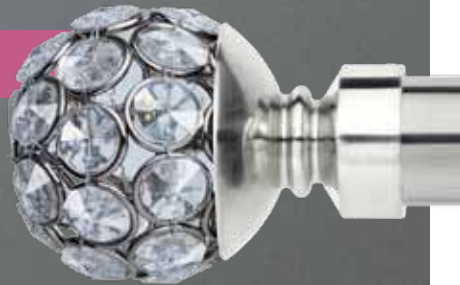

NEO ORIGINAL

An affordable range of stylish metal curtain poles, finials and co-ordinated accessories. The ideal choice for those who desire sleek design and well engineered modern styling. Available in 19mm, 28mm and 35mm diameters.

NEO STYLE

A range of stylish finials join the best selling Neo collection. Each of the new designs draw influences from Classic and Contemporary themes. Perfectly balanced textures and precision metal finishes combine to make 'STYLE' the ideal finishing touch for every window.

NEO PREMIUM

Visibly superior solid lead crystal finials. Ideal for those who demand that little bit extra. The Ball, Teardrop and Faceted Ball are available in both clear and smoked grey crystal shades while the Barrel shape is available in all four co-ordinating metal effects in a choice of two of the most popular pole diameters, 28mm and 35mm.
