STYLE

Superior Quality 28mm & 35mm  
Designer Poles and Finials

# Superior Quality

---

Robust yet elegant, this easy to fit range features heavy gauge steel poles which work perfectly with the precision engineered brackets to create a stylish, modern look.

## Quality Nylon Lined Rings

Rings are nylon lined to run smoothly and quietly across the pole. Available in 28mm and 35mm sizes.

## Pole Quality

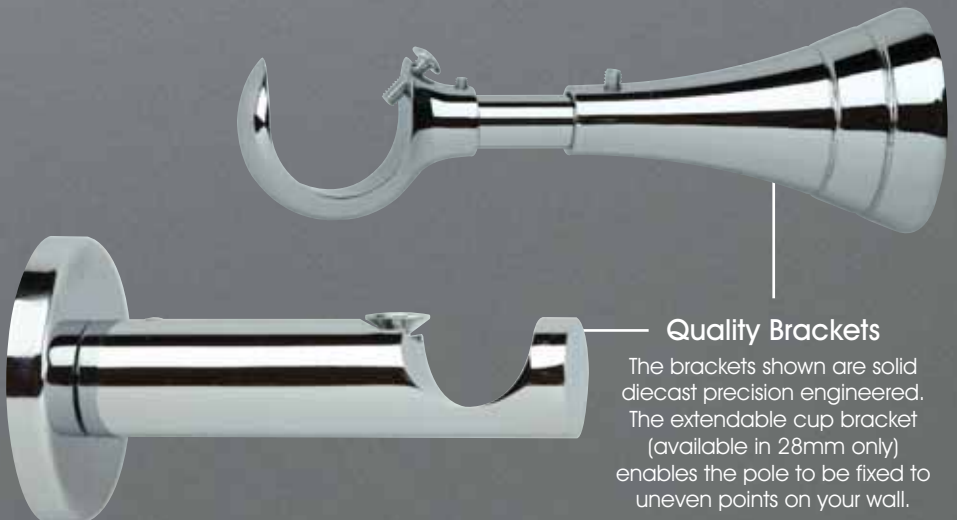

Heavy gauge steel poles suitable for all applications. Available in a choice of 28mm or 35mm diameters, four stylish finishes and eyelet or ring poles.

## Collar

Solid diecast collar and cup with grub screw.

## Finials

Luxurious and stylish designs.

## Quality Brackets

The brackets shown are solid diecast precision engineered. The extendable cup bracket (available in 28mm only) enables the pole to be fixed to uneven points on your wall.

# Versatility

---

Neo is incredibly versatile and can be Face fixed, Top fixed or Recess fixed. It also offers an Eyelet Pole option on all designs and a Bay Pole system. Available in both 28mm and 35mm sizes.

## Ceiling Bracket

For use when space under the window is limited or the wall is weak.

Ceiling Fixed

## Recess Brackets

Enables pole to be fixed between walls, or to a side wall at one end.
