SOLARTEK NEUTRAL SHADE

Solartek's Neutral range of Window Film is one of the most popular on the commercial and residential market today.

It has been designed to blend in well with any interior décor and not to interfere with the natural views outside the window.

Film protects interior furnishing by cutting out 99% of the harmful Ultra Violet rays reducing the risk of fading on all your belongings including expensive paintings, carpets, curtains and furniture.

Non-mirrored finish, just tinted.
