

The beautiful fit of
made-to-measure
versus off-the-shelf

ALBARO RANGE

A fauxwood range that has all the style of real wood venetian, but is made from a practical and manmade polyvinyl material that stands up to the daily wear and tear of a family home. Safety comes as standard; all of our blinds ranges are fully compliant with the child safety requirements of BS EN 13120.

FEATURES & BENEFITS

- Tightest slat closure on the market for increased room darkening
- Patented privacy slat reducing light bleed and offering more privacy
- Superior lift and tilt system for a smooth operation and reduced pull force
- Ideal for large window expanses, our maximum blind width is over 2 metres
- Hardwearing, durable and easy to clean

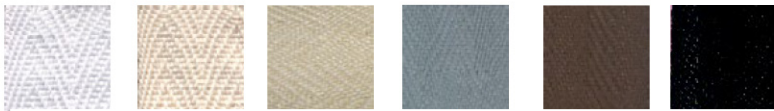

POLYDECO HEADRAIL

The decorative polydeco headrail comes as standard with your new venetian blinds order.

It comes in 16 colour-coordinated options. One of the main benefits to this addition is it can be installed with or without a valance and looks beautiful either way!

CLOTH TAPES

Choose from 6 plain cloth tape colours

White Ivory Natural Dusty Grey Dark Sienna Black

CORD COLOURS

A variety of cord colours which are colour coordinated to match the Albaro venetians.

SLAT FINISHES

Available in both 50mm and 63mm slat sizes, five solid painted with a smooth finish, five solid painted with an embossed finish and 10 wood print effect colours.
